6 brand new episodes of Doctor House have been released!

House (2004–2012) or Doctor House, created by David Shore, is about an irreverent, controversial, but successful doctor who trusts no one, least of all his patients.

Students in DNL-15 Science class (SVT) conducted the production of 6 new episodes. They had to treat a patient with a genetic disease such as sickle cell anemia or congenital lactase deficiency, cystic fibrosis, color blindness.
